

## A Personal Prayer to the Holy Spirit

O Holy Spirit comfort me  
In times of grief and pain  
Hold my heart within your own  
And bring joy to me again.

At times I feel all alone  
And I'm filled with such despair  
And all my hope and dreams are gone  
And that no-one really cares.

As I lift my eyes toward heaven  
And the tears begin to flow  
I cry Oh LORD please help me  
I have nowhere else to go.

And then I hear a gentle voice  
So soft but yet so clear  
This voice says "I love you child  
And I am always here".

I will send my Holy Spirit  
To take away your sorrow  
To comfort you my child  
And help you face tomorrow.
