

A Personal Prayer to the Holy Spirit

O Holy Spirit comfort me
In times of grief and pain
Hold my heart within your own
And bring joy to me again.

At times I feel all alone
And I'm filled with such despair
And all my hope and dreams are gone
And that no-one really cares.

As I lift my eyes toward heaven
And the tears begin to flow
I cry Oh LORD please help me
I have nowhere else to go.

And then I hear a gentle voice
So soft but yet so clear
This voice says "I love you child
And I am always here".

I will send my Holy Spirit
To take away your sorrow
To comfort you my child
And help you face tomorrow.
